#1 LIQUID SEALANT

MIRACLE COVER™ America's Finest Liquid Sealant

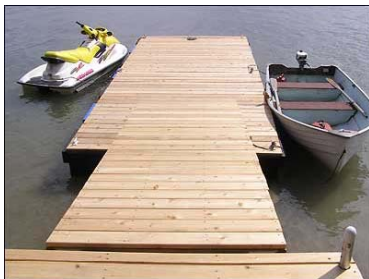

- ❖ REGULAR AND MARINE APPLICATIONS
- ❖ ENVIRONMENTALLY SAFE
- ❖ WATER BASED FORMULAS
- ❖ SAVES YOU MONEY

**20 YEARS
GUARANTEE!!!**

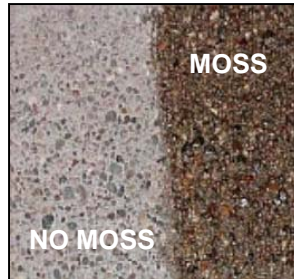

MIRACLE COVER is water based one coat silicone rubber solution. When properly applied, it seals porous surfaces making them resistant to penetration by water or other liquids, while allowing air to permeate the coating. **MIRACLE COVER** saves not only material cost, but labor cost as well. There is **no need for maintenance or seasonal recoats** that are typically required with conventional water repellents. One application of **MIRACLE COVER** will substantially prolong the life, beauty and usefulness of any porous surface and it is guaranteed for 20 years.

Unlike other water-based and hydrocarbon sealers, **Miracle Cover™** is **INORGANIC**, which means **Miracle Cover** is NOT effected by the elements that destroy and degrade other organic (oil/plastic based) products on the market. When fully cured, **Miracle Cover's™** advanced silicone *rubber emulsion* technology will provide a **durable, flexible, water repellent seal** that lasts for years and years and has the following performance benefits:

MIRACLE COVER warrants this product to be free of defects in material and manufacturing for a period **20 years** from the date of purchase. In the event of a claim for warranty, we will replace the product free of charge, or at its option, refund the purchaser the price paid as evidence by the purchase's receipt.

seals wood

prevents moss

protects fiberglass

MAJOR ADVANTAGES:

- **Unaffected** by UV rays from the sun
- **Resistant** to salts and acids
- **Stretches** up to 300%
- Extremely **Durable**
- Excellent **water barrier**
- **No seasonal recoats.**
- **Not attacked** by insects or mold
